Subject: Draft testimony for the Oregon BOF meeting

Tony, Dan and Christine,

Attached is a draft of EPA's testimony for next week's BOF meeting. Since we do not know for certain what the staff will be putting in front of the Board and what the Board will ultimately push forward, the draft language describes what we would like to see in a rule change.

I would appreciate your comments by COB Friday. Please feel free to give me a call if you have any questions.

Alan
